

Positive Parenting for Children with a Disability

For parents of children aged 2-12 years

Parents of children with a developmental disability are given ways to deal with the kinds of childhood behaviour problems and issues that can make family life stressful.

- Creating a safe, interesting environment
- Having a positive learning environment
- Using assertive discipline
- Adapting to a child with a disability
- Taking care of yourself as a parent
- Being Part of the Community
- Having realistic Expectations
