

# Creating a Stand-Out Resume

Do you want a strong resume and more confidence in job interviews?  
This workshop will help you improve your resume and interview skills.

You will learn how to:

- Create a clear and professional resume
- Match your resume to the job you want
- Talk confidently about your skills, work experience and education
- Understand why body language is important in interviews
- Prepare for common interview questions
- Ask good questions and follow up after an interview
- This workshop will help you feel more confident and increase your chances of getting the job you want.
