There may also be students and volunteers in the room, assisting with the program. All staff, volunteers and students have a Working with Children Check and National Police Clearance.

How the session will work

There is a Play Leader and Play Assistant who will provide hands-on activities and practical resources for families that will support your child's play and learning journey. You will also be able to discuss your child's development and ask them questions. You will receive practical ideas and encouragement on how to help build your child's confidence and social skills.

Photos will be taken each session (with parent permission) so that a storybook can be made for you and your child to enjoy together.

What will the room look like?
