

Bringing Up Great Kids

A free 6-week program that supports parents/carers to:

- Build strong and healthy relationships with their children;
- Learn more about parenting styles, through reflective practice;
- Learn how a child's brain development effects their thoughts, feelings and behaviour;
- Understand the meaning of children's behaviours;
- Discover how to overcome some parenting obstacles;
- Discover ways to take care of themselves and get support when needed.

The delivery of this program is a partnership between Child and Parent Centre East Waikiki and Calista for the Rockingham and Kwinana communities.
